

24' & 30' 2-Section FOLDING DRILL

from

Our experience in the seeding business has taught us that simplicity and reliability are two of the most desirable qualities in seeding equipment. The 2SF24 & 2SF30 are designed to be tough enough to handle your most challenging conditions and deliver a solid stand every time. They feature our fluted feed cup and ground driven metering to provide accurate, simple seeding.

Offset double-disk openers provide superior penetration while our exclusive seed tube and flap gently place the seed in the bottom of the trench. Innovations like double down-pressure springs, fluted feed cups, depth controlling flush rim press wheels and structural integrity to transport with fully loaded seedboxes make the Great Plains folding drill stand apart from the crowd.

24' & 30' 2-SECTION FOLDING DRILL SPECIFICATIONS

4-Speed Ground Drive

Nylatron Slideblocks

Walkboard and Ladder

Safety Lighting Package

1 1/4" wide Fluted Feed Cup

Adjustable W-Clip

Weatherproof Lids

V-Bottom Dividers

Sight Glass

Keeton or Seed-Lok® Seed Firmers

Native Grass

FEATURES & BENEFITS

Feature	Benefit
4-Speed Ground Drive	Provides excellent metering of a large variety of seed shapes and sizes.
Nylatron Slideblocks	Modern materials reduce or eliminate wear.
Walkboard and Ladder	Wide non-skid walkboard and ladder provide easy access the full width of the machine.
Safety Lighting Package	Provides a high level of visibility and safety during transport.
Fluted Feed Cup	Provides gentle and even delivery of a wide variety of seed sizes and shapes.
Adjustable W-Clip	3-position opener down-pressure adjustments.
Weatherproof Lids	Steel lid protects seed and fertilizer from the elements.
V-Bottom Dividers	Provide even and complete seedbox clean out.
Sight Glass	Provides quick information on seedbox level.
Keeton or Seed-Lok®	Firms soil creating excellent seed-to-soil contact. (Optional)
Native Grass	Agitators and picker-type wheels help pull native grasses into the seedtube.

OPTIONAL EQUIPMENT

Press Wheels (pg. 5)	Small Seeds Box	Keeton Seed Firmers
Seed Cup Plugs	Markers	Seed-Lok® Seed Firmers
Fertilizer Attachment	Shaft Monitors	Air Design Scrapers
